**NOTICE OF CANCELLATION OF BID**

Bid Number: ENGRFP0014-14-15

For: Gills Creek Watershed Supplemental Environmental Project (Design Build) RFP

Issuance Date: April 23, 2015

Opening Date: May 15, 2015 at 11:00 AM (EST)

Cancellation Date: November 25, 2015

Reason for Cancellation:

"When it is determined prior to an award, but after opening, that the requirements relating to the availability and identification of specifications have not been met, the invitation for bids shall be canceled. Invitations for bids may be canceled after opening, but prior to award, when the procurement officer determines in writing that cancellation is clearly in the best interest of the city" (cited from Appendix G, section 1.8b(8)). The recommended firm is no longer able to fulfill the requirements of the RFP and we are concerned about accomplishing this project work within timeframes outlined by the City's Consent Decree. We have also reevaluated using a Design / Build approach for this project. As a result, we believe it is in the best interest of the City to cancel.
